- We will consider how our club/group is promoted. For example, by providing information in formats which are accessible and by using appropriate imagery.
- We will encourage people to contact us to discuss their needs and requirements to facilitate inclusion and we will ensure we consider what reasonable adjustments could be made to enable them to participate.
- We will develop the knowledge and understanding of key officials, coaches, leaders and other volunteers, of disability, equity and inclusive practice by providing appropriate guidance and training.

We will talk to people

- We will, so far as is reasonably possible, consult with relevant groups and with prospective individuals about their needs and requirements.
- We will not make assumptions and will try to speak to people about the reasonable adjustments they believe might be made to enable them to participate and to discuss how these could be made.

We will make reasonable adjustments

- We will demonstrate that every effort has been made to enable everyone to participate and that inclusion not exclusion has been the priority.
