Cross Country Races

Jan 4 Lancs. Champs -Witton

Oct, Nov & Dec Other XC races,

Club Races Please support these **Club Races**; they don't need to be too competitive. We class them as "club events" where our members gather, complete the run and share the usual post-race refreshments. If you want to race that's OK, alternately just run the route and enjoy. We also use the Club Races as a guide for the Most Improved Runner awards and The **Club Championships** (road, trail and fell). Scores from your best 4 races out of the 7 will count to your final rankings. Scoring: winner of each race 100 points, 2nd 99 points, 3rd 98 points etc.

Summer Runs

These runs will be followed by a meal, members will be entitled to the subsidized "pub grub" non-members are welcome but to pay normal prices.

Team Events -

If you would like to represent the club in any of these team events **please ask**. All members all abilities welcome.
